E-2022-06

E-2022-18

*In 2021, the **Rosablanca Photography Award** surpassed with very high marks that initial objective of disseminating and reaffirming the values of Villanueva del Rey (Córdoba) as the promoter of this cultural initiative and others of similar rank and coincident in time.*

*The levels of quality and response obtained by the **Rosablanca Photography Award** at a national and international level are already a tribute and recognition of the values and cultural efforts of this town, the reliability of the successive Juries in each call, the value that is granted to photographic art and respect for the participants throughout the organization process. Maximizing our resources, rewarding the highest quality work, promoting creative freedom and valuing the works presented with the rigor and experience of the best Jury, constitute the renewed desire of this Photography Award in this new call for 2022.*

*Get in 2021 that this Award was recognized and sponsored by the Andalusian Federation of Photography and also this year (E-2022-06), as well as by the Spanish Confederation of Photography (E-2022-18), and that its Bases be approved and validated at the national level after seven previous years of dedication, has had a very important impact, always with the invaluable help of the president of AFOCO, José F. Gálvez, as president of the Jury of the **Rosablanca Award**. In this call for 2022, the objective is to maintain this level of credibility and participation, the maximum interest of amateurs and professionals of photography in Spain and outside our country.*

As in previous years, the Villanueva del Rey City Council and the Iniciativa Rosablanca (family group) maintain and reaffirm for the 2022 call these objectives of promoting culture and photography, within and beyond our natural territory: culture has no borders and the strength of our identity, associated with a project of greater scope and continued, achieves greater external knowledge of this Award and of the Andalusian land from which it is promoted.

The call for the 7th Rosablanca National Photography Award 2022 will be held in accordance with the following
